WHO WE ARE

A global nutrition and direct-selling company;

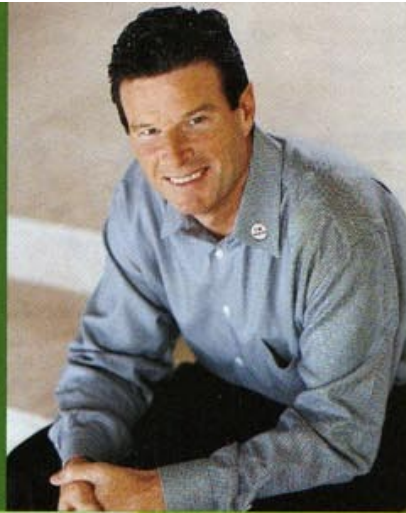

Improving lives in 72 countries

Providing innovative and science-based products

Focusing on customers' unique needs

Helping our communities and our environment

Offering you a proven business opportunity to help achieve your goals

For 30 years, Herbalife has been on a mission for nutrition. We are proud of our continuing commitment to changing lives with our science-based nutrition products and our outstanding business opportunity for part-time or full-time income. There's never been a better time to be part of Herbalife.

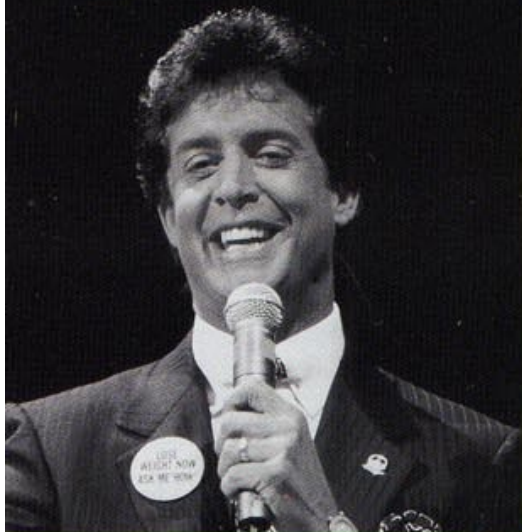

— Michael O. Johnson
Chairman and Chief Executive Officer, Herbalife

Presented by  HERBALIFE.

MARK HUGHES (1956 – 2000)
Herbalife's Founder and First Distributor

"Developing world-class products and changing the nutrition habits of the world, one person at a time."

Herbalife in Action!

We sponsor world-class athletes, teams and events around the globe, including the LA Galaxy soccer club, the American Youth Soccer Organization (AYSO), two Indy 500 drivers and a host of champions in nearly 20 other sports. See all of our athletic sponsorships today at HerbalifeSports.com.

Herbalife Family Foundation

With your support we've helped change the lives of children the world over. We've established more than 50 Casa Herbalife programs in over 38 countries. Learn more about how you can help us open new programs and bring healthy nutrition and happy smiles to children everywhere. Visit us at HerbalifeFamilyFoundation.org.

Nutrition for a Better Life

Commitment to Quality Products

Herbalife is dedicated to developing innovative, healthful products that comply with the highest research, development and manufacturing standards in the industry:

- Only the finest raw materials
- Rigorous product testing
- Highest-quality policies and procedures
- Precise formulation and labeling
- Most-trusted contract manufacturers

Scientific Leadership

Herbalife is guided by a team of world-renowned nutrition and scientific advisors who participate in our product development and testing programs. They also ensure that new products are of the highest quality and contain the best ingredients. Additionally, Herbalife sponsors innovative nutrition research in universities around the world.

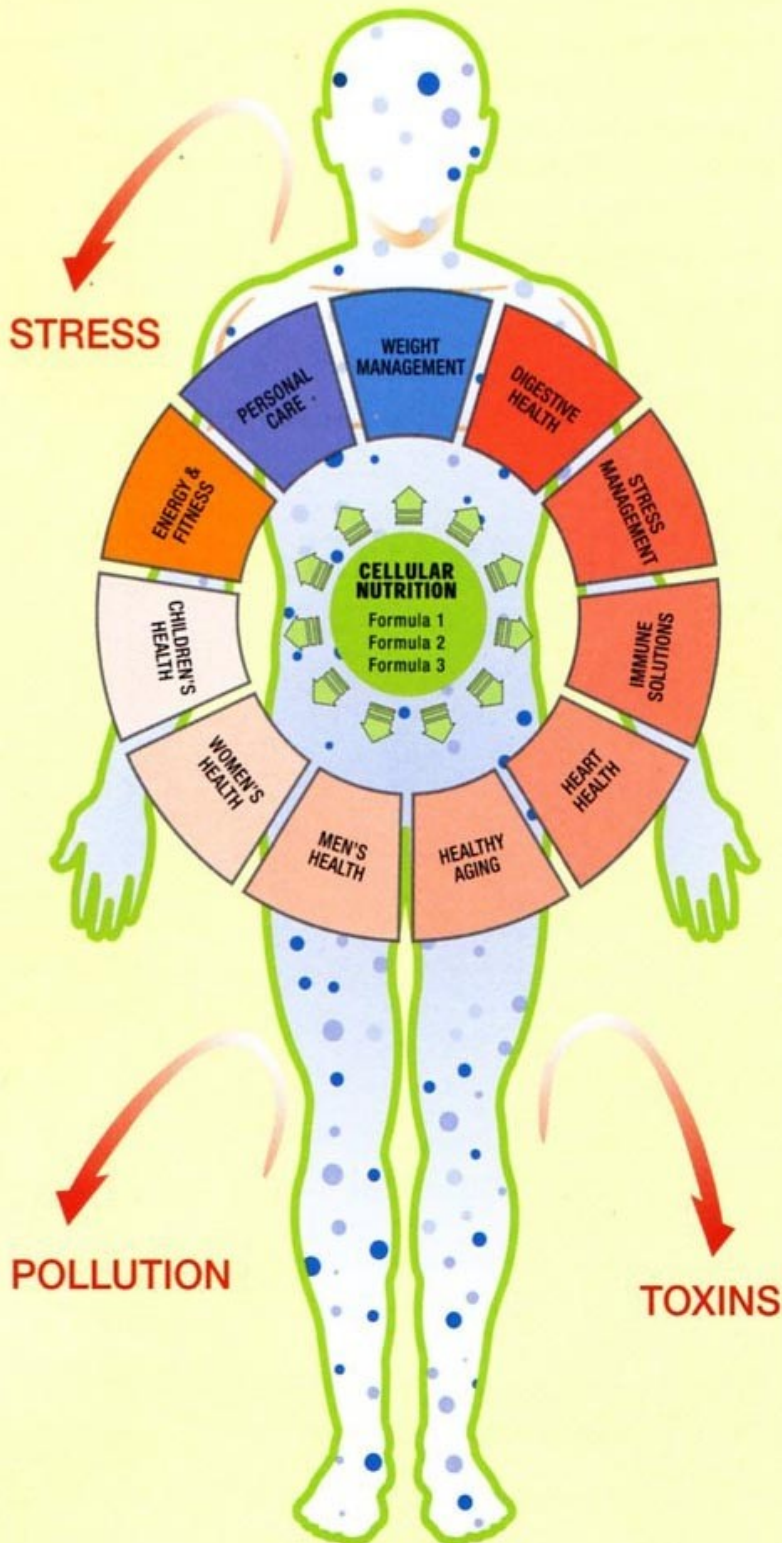

*The University of California does not endorse specific products or services as a matter of policy.

2 Delicious
Flavors!

DID YOU KNOW?
Recent research has shown that early intake after exercise (within the first hour) of essential amino acids helps to promote an increase in protein rebuilding.

— Australian Institute of Sport,
Department of Sports Nutrition, 2009

*Aminogen® is a registered trademark of Triarco Industries and is protected by U.S. Patent No. 5,387,422.

†Protein Digestibility Corrected Amino Acid score equals 1.00, the highest score for labeling protein quality.
